

## **St. Bernard Recreation Corporation**

### **Mission Statement**

The St. Bernard Recreation Corporation is a non-profit, independent, citizen-lead organization established to create the highest possible standards for opportunities for sports, social, and outreach programming that allows individuals to grow, achieve, and excel..

The activities of the St. Bernard Corporation for youth and adults will augment and expand services provided by St. Bernard Parish Government and will result in a positive economic impact on St. Bernard Parish through raising the standards of facilities, programming, training, and through sponsoring and attracting revenue generating events that will serve the general population as well as market the St. Bernard community.

### **Goals**

The goals of the St. Bernard Recreation Corporation are to:

- Create community buy-in and ownership that supports the sustainability of the organization
- Establish a protocol for sports programming, sports coaching, and training skill sets
- Create a Youth Center that includes social, educational, and emotional support activities
- Generate funding through events and membership that augments facility development
